CASE NO.: 2:20-cv-00739-JAD-BNW

**MOTION TO EXTEND THE TIME TO SERVE  
THE DEFENDANTS PURSUANT TO FRCP 4(m)**

Plaintiff Solomon Coleman ("Coleman") hereby moves for extension of the time provided under FRCP 4(m) to serve the defendants named in his complaint. Coleman filed his complaint in this case on April 24, 2020. Under FRCP 4(m), Coleman had 120 days to serve the defendants after filing his complaint, making August 24, 2020 the final date for timely service of the defendants. Here, Coleman is requesting an extension of 30 days within which to serve the defendants, which would make the deadline for filing proof of service September 23, 2020. This requested extension is necessary due to unforeseen circumstances caused by the COVID-19

1 pandemic that have caused significant disruption of Coleman's undersigned counsel's law practice  
2 – mostly due to the closure of his son's school and the necessity of taking on much greater child  
3 care responsibilities since the middle of March 2020. These pandemic-related disruptions have  
4 resulted in delays in undersigned counsel's execution of actions necessary to make progress in  
5 Coleman's case; however, an extension of 30 days will be more than sufficient to complete  
6 necessary service of the defendants and to file proof of the same.

8 Dated this 31st day of August, 2020.
